

SUPPLIER TAX RECORD - W-9 DEMO

Fictional onboarding document for ContractLedger AI

DEMO ONLY - NOT AN IRS FORM AND NOT VALID FOR TAX REPORTING

Legal name	Harbor Technology Solutions Inc.
Business name	Harbor Technology Solutions
Federal tax classification	C Corporation
Exempt payee code	None
FATCA reporting exemption	Not applicable
Address	455 Market Plaza, San Francisco, CA 94105
Taxpayer ID	XX-XXX6789 (masked fictional value)
Supplier record	sup-harbor

Certification

The authorized representative certifies for this fictional demonstration that the name and tax classification shown above match the supplier onboarding record, that the masked identifier is presented only to demonstrate secure data handling, and that this document contains no real taxpayer information.

Authorized signature	/s/ Christopher Allen
Name and title	Christopher Allen, President
Certification date	December 15, 2024
Received by	Northstar Procurement Operations (fictional)

Portfolio note

A production system would restrict access to tax documents, encrypt sensitive identifiers, log every view and download, apply retention rules, and avoid exposing taxpayer information in general search results. ContractLedger AI stores only this fictional masked example.
