Description of operations

Evidence of fictional coverage for technology support services under Contract CT-2025-018. Northstar Industrial Operations, Inc. is shown as an additional insured for commercial general liability where required by written contract. Waiver of subrogation applies where required by written contract.

Cancellation notice

For this demonstration, the certificate record requires follow-up before January 31, 2027. A production workflow would verify policy terms directly with the carrier and track replacement documentation before expiration.
