

PROFESSIONAL ENGINEERING LICENSE - DEMO

Service-specific qualification record for Westline Engineering Group LLC

FICTIONAL DEMO RECORD - NOT VALID FOR OFFICIAL USE

Licensed entity	Westline Engineering Group LLC
License type	Professional Engineering Firm Registration (fictional)
License number	PEF-DEMO-28417
Jurisdiction	California
Responsible professional	Jordan Rivera, P.E. (fictional)
Issue date	October 11, 2025
Expiration date	October 10, 2027
Status	Active - fictional portfolio data

Scope verification

The license category is consistent with the proposed plant modernization engineering support services. Procurement must confirm that required disciplines and responsible professionals remain active before award.

Risk control

Professional licensing is service-specific rather than universal. The system stores issuer, license number, expiration date, review status, and source document for renewal monitoring.
