

BUSINESS REGISTRATION AND GOOD STANDING - DEMO

Internal supplier onboarding verification record

FICTIONAL DEMO RECORD - NOT VALID FOR OFFICIAL USE

Entity	Harbor Technology Solutions Inc.
Jurisdiction	California
Entity number	C-DEMO-482019
Entity type	Stock Corporation
Formation date	May 12, 2018
Standing	Active / Good Standing (fictional)
Verification date	January 18, 2026
Verified by	Jordan Avery, Contract Administrator

Name and status check

The legal entity name matches the W-9, insurance certificate, executed agreement, and supplier master record. No DBA discrepancy was identified.

Control note

This portfolio record demonstrates a Secretary of State entity-status check. A production workflow would retain the official search result or certificate and schedule re-verification according to company risk policy.
